

17" Tabletop & Floor Model Drill Presses

Ideal for use in medium duty work on the shop floor and for production operations

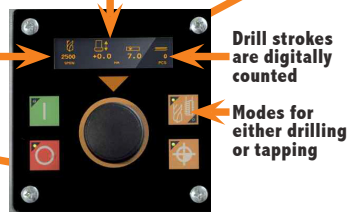

- ▶ 220V Single Phase 0.7 HP motor
- ▶ Speed range of 40-4,000 RPM with use of variable-frequency drive
- ▶ No-volt release
- ▶ Thermal overload protection

SB 13+ (Floor Model)
EDP: F212502F **\$6,625.00**

Machine Size
16.5" x 19" x 70"

OLED (Organic Light Emitting Diode) display for easy reading at almost any angle

Actual/target drilling depths on display

Drill strokes are digitally counted

Modes for either drilling or tapping

TB 13+ (Tabletop Model)
EDP: F212500F **\$4,480.00**

Machine Size
17.5" x 18" x 34"

Drill Capacity	<i>Inch</i>	<i>Metric</i>
• Steel	1/2"	13mm
• Non-Ferrous	9/16"	15mm
• Wood & Plastic	3/4"	19mm
Tapping Capacity	5/16" M8	
Swing	17"	
Speed Range	40 - 4,000 RPM	
Feed Type	Manual	
Feed Range	Manual	
Motor Type	220V 60Hz	
Horse Power	0.7 HP 0.54 kW	
Spindle Mount	B16
